**MODERN-DAY ACTS** ✦ The older versions of the Bible titled it "Acts of the Apostles." I agree with an author who wrote about the great revival in Wales and said the appropriate title should be "Acts of the Holy Spirit." The book of Acts is the record of the beginning activities of the Holy Spirit through the Church on Planet Earth. He worked through apostles, deacons, men, women, and children, performing powerful acts of the Kingdom of God. This book is the beginning of the story, while Church history should be the continuation of the story to the End. Sure, there have been different places and different people groups, but still the same central theme (the Gospel) and the same Holy Spirit performing mighty acts through the Church. We want to read this book in the month of August over and over in order to recalibrate our lives and focus, so that we can "contend for the faith once for all entrusted to the saints" by the apostles (Jude 3). Read and meditate chapter by chapter as our faith rises for Biblical Christianity to be restored to normalcy in our day. And then, through our "living epistles" (2 Cor. 3:3), we will continue writing the Acts of the Holy Spirit. Blessings, Sam.

**MONTHLY MISSIONS FOCUS: PTC GHANA** ✦ Please pray for the Pastors Training Center in Accra, the capital city of Ghana, West Africa. Sam, Tim, and Spencer are finishing the training videos for native "bush pastors." (Rick's sessions are completed.) Lyle, our partner in West Virginia, is nearly done with the construction of the dormitory and conference center. Please pray we accurately and spiritually teach the Scriptures in order to train hundreds of pastors in the West Africa area for more effective Kingdom ministry.

**NEW DISCIPLESHIP BOOKLET: SPIRITUAL GIFTS** ✦ August 1 marks the release of the fifth discipleship booklet from Sam and Spencer, entitled *Spiritual Gifts: Discovering Graces and Partnering to Manifest the Fullness of Christ*. Every believer has at least one spiritual gift. The gifts are part of the core of our identities and the basis for our ministries. Spiritual gifts compose Christ's blueprint for building His Church.

This booklet defines the seven resident gifts of grace (Rom. 12) and clarifies their distinctions from manifestations (1 Cor. 12), offices (Eph. 4), obedience, and talents. It offers examples and counsel to discover your grace-gifts and to protect relationships in the enemy's war against a gift-driven Church.

If the Lord wills, another booklet titled *Spirit, Soul, Body* may be released by the end of August. Please pray for their work and enjoy these free booklets, available on Sundays and at [ProjectOne28.com](http://ProjectOne28.com).
