

Defining Our Age

We realize this diagram has its inherent weaknesses by thinking in such a simplified, linear fashion about the progress and diversion from God's purposes. For example, the history from Adam to Nehemiah obviously had many ups and downs with judgments and foreshadows of redemption. Hopefully, this simple representation helps believers picture our age as beginning in Gen. 1:2 when Lucifer became the "god of this age" (2 Cor. 4:4). The coming ages (Eph. 2:7) begin with Rev. 21:1. In our age God is defeating His enemy and reclaiming the earth as His Kingdom. This is the very reason we were created and recreated.
